NO. 47

ISSUES ORDER FOR GRABBING SLOT MACHINES

28 Machines Taken On 7
Warrants; Sheriff Then
Replevins 23.

On warrants issued by Justice J. C. James on complaint of Samuel Wesley, assistant marshal of Antioch, Constable Thomas E. Burnette seized twenty-eight slot machines in the lake resort region here last Sunday. Machines of this character are known as mint vending machines. Wesley claims to have played the various machines at the establishments of the men named in the seven warrants issued, but maintains that he got no mint.

To Appear in Court Friday

Although technically under arrest the resort owners were not taken into custody Sunday by Officer Burnette, but each one was told to appear in Justice James' court here Friday morning at nine o'clock when their cases are to be heard.

Sheriff Takes Machines

On a writ of replevin issued by L. J. Wilmet, circuit clerk, twenty-three of the machines were taken to Waukegan Monday by deputies from the sheriff's office. In the writ one Nicholas Ganas, is named as the owner of the machines which are represented as bearing the name of the Crown Sales Co. The case is set for the October term of court.

Besides Officers Burnette and Justice James the names of Samuel Wesley, Constable Thomas E. Burnette and Sheriff James' court here Friday morning at nine o'clock when their cases are to be heard.

CH'GO MAN DROWNS IN VOLZ LAKE, WIS. ON HONEYMOON

Fire Department Locates
Body and Resuscitates
Another Man.

The water took its toll in another victim on Tuesday, when George Kalb of Chicago was drowned at Volz Lake.

Kalb and R. Schaeffer, also of Chicago, had been out in a canoe and when within about 100 feet of the pier on their return, they decided to swim into shore. The weeds were quite thick and Kalb saw that he would not be able to make the pier and called to Schaeffer who returned and attempted to bring him in. By this time he was desperate and seized his rescuer with the drowning man's grasp and pulled him under. Schaeffer saw that it was impossible to save him and was likely to lose his own life so he broke loose and made for the pier. He was not able to pull himself up. He gripped the posts but was unable to keep his head above water all of the time, and when taken from the water was assumed to be dead.

The Antioch Fire Department was called and they responded with pump, motor and grappling hooks. After using the pump-motor on Schaeffer for an hour he was revived. During this time other members of the Fire Dept. were searching for Kalb's body. It took about three hours of dragging to locate the body which was turned over to the coroner.

Mr. and Mrs. Kalb were spending their honeymoon in the Costello Cottage, they having been married just Saturday before.

Mrs. Kalb developed hysteria when told of the accident and it took Dr. Williams half an hour to revive her.

Voliva Names Mintern As Logical Successor To Rule Zion

Wilbur Glenn Voliva, General Overseer of Zion has made it known that he wished Apostle M. J. Mintern to be his successor whenever he (Voliva) was unable to carry on the work. Voliva suggested Apostles Carey and Darns as chief advisors.

The announcement occurred at the Feast of the Tabernacles last Friday. The burden of Voliva's speech was the "uncertainty of life." Even though he was apparently in fine health, his sixtieth birthday is causing him to reflect on this fact.

COUNTRY CLUB AT LIBERTY CORNERS OPENS JULY 21

Fine Golf Course With
Modern Club House,
Swimming Pools.

Chicago-land's long list of golf courses will have a new and distinctive name added to its list, when "Our Country Club," located in the lake region of northern Illinois, is thrown open for play on July 21st.

This course is located at Liberty Corners, just north of Antioch, on route 83 (eighty-three), and may be reached from Chicago by Milwaukee Avenue, or route 21 (twenty-one).

While this golf course is to be open to the public, it was designed and built to specifications that would satisfy an exacting private club. No expense has been spared in developing eighteen championship holes, on a stretch of beautiful, rolling, wooded, farm land, that is admirably suited to a well-rounded country club layout. The modern club house commands not only a view of the golf course, from its hilltop site, but a panorama of the surrounding landscape for a distance of more than twenty miles.

Two swimming pools will be available to the public—one at the club house site, and another bordering the course in the woodland—while a large twenty-acre lake has been cunningly devised to satisfy the golfer's desire for sport and tantalizing water holes.

The 220-yard fifth, with the tee on a hilltop and a diagonal carry across the upper neck of the lake, with the green on the side of the hill and framed by beautiful, large oaks, is one of the many outstanding holes on the course, which has a total yardage of 6240.

Large grass tees, irrigated fairways, bent greens, and one of the most complete and modern drainage systems insures the best possible playing conditions, no matter what the weather may be, equal to that on the best of Chicago's private clubs.

This course was laid out and constructed by Langford and Moreau, Golf Architects and Engineers of Chicago, on a private estate and is to be operated as a fee course at the prevailing daily fee rates.

Being a member of the Chicago Daily Fee Golf Association, reservations may be made for starting time through The Hub, as well as at the golf course.

The public will be permitted to play without charge on July 21, the opening day.

STATE HOLSTEIN BREEDERS HOLD PICNIC SUNDAY

The Illinois Holstein Breeders Association will hold their Annual Picnic in Lake County this week Saturday.

The event will be held at Elmwood Farm, Everett, Ill. The Elmwood farm is owned by Mr. Hasmussen who has one of the three best herds of Holstein cattle in America. His farm is located at Everett on route 42A, southeast of Libertyville.

People who come to the picnic are urged to bring their lunch baskets. Milk, cold drinks, and ice cream can be had on the grounds.

A judging contest will be in charge of Axel Hansen, famous judge at the National Dairy show. A pure bred calf will be given to the winner in the boys' division.

A delegation will leave the Antioch high school at 9:00 a. m. Saturday. If you wish to go meet us there. Another delegation will leave from Frank Cremin's farm at Rollins shortly after 9:00 a. m.

Telephone Expert In- vents Magnetic Probe

The humanitarian spirit of the telephone's inventor, Alexander Graham Bell, which marked his lifelong activity in behalf of those with lost or impaired hearing, has frequently been reflected in many of the auxiliary products of telephone development. From the research of the Bell System scientific laboratories and co-operating medical experts have come the electrical stethoscope, the artificial larynx, the audiometer and aids to the deaf. Now comes another humanitarian instrument—the magnetic probe. It has nothing to do with telephony, as such, but is a by-product of developments in the manufacture of telephone apparatus. It is a beneficial instrument, made available to physicians for the removal of steel slivers from the skin or the eye without the necessity of surgery.

CONSERVANCY DIST. TO BE REORGANIZED FOR FOX RIVER TER.

Vote Will Be Taken August
Tenth—Objectors Are
Eliminated.

The final order re-organizing the Fox River Conservancy District has been entered and the boundaries have been arranged apparently satisfactory to the farming interests which were objecting. The boundaries of the District follow more closely the lines of the river and lakes.

The election is to be held Friday, August 10, between the hours of 1 and 6 o'clock. Antioch and Fox Lake are the only towns in Lake County included in the district, and it is to their advantage to see that the district is reorganized since the conditions at the lakes directly affect these villages.

The purpose of the proposed district is "for river control, sanitation, development of water supply, navigation, and protection of fish."

The former Conservancy District was dissolved by Judge Fulton of Sycamore, because the district was not formed technically according to law.

This error will not be made again. The good work started by the Trustees of the organization indicate to this region the benefits to be derived from such an organization.

Hon. H. R. Rathbone Dies at Chicago Following Operation

Rep. Henry R. Rathbone, Congressman-at-large from Illinois, died at a Chicago hospital Sunday, July 15, after a serious operation.

Mr. Rathbone has been a member of Congress continuously since 1922, and was the republican nominee in the election this November.

It is thought, in some political circles, that the State Committee will appoint Richard Yates to fill the vacancy on the ticket.

ASSESSMENT ROLL IS PUBLISHED THIS WEEK

The 1928 assessment roll is published in this issue. Tax payers should check the assessed value which appears against them, and if there is a complaint, same should be filed at once with the Board of Review. This body will be in session daily at the Court House, Waukegan. All complaints must be filed prior to September 1st.

OBJECTORS BALK AT PAYMENT OF BUSINESS TAX

Village Board Puts Collec-
tion of Taxes in Hands
Of Attorney.

It is reported that several of the business men have banded together for the purpose of refusing to pay the business tax recently proposed by the Village Board. Some of the objectors maintain that they would have paid the tax without complaint, had it been used for the main purpose stated in the previous ordinance, i.e. for the white way. They also claim discrimination in the tax rate. An Attorney has been employed to handle the legal end of their complaint.

The Village Board which was in special session Monday night instructed the Village Attorney to take steps to collect all outstanding taxes which are now due.

Miss Jennie Potter Passes Away After Lingering Illness

Miss Jennie Potter passed away at the home of Mr. and Mrs. William Hillebrand, of Channel Lake, Friday, July 13, after a few weeks illness hastened by a fall she sustained while visiting in Peoria.

Mrs. Hillebrand brought her from Peoria to Antioch about two weeks ago in order to care for her.

Miss Potter was well known in this vicinity, having been employed by Hillebrand and Shultz for several years. She was a member of the Christian Science church and of the Lakeside Rebekah lodge in which she had held offices.

Services were read in the Straug Funeral Home Sunday afternoon by Mrs. Theresa Lewis, Mrs. Heister Garland sang.

The body was taken to Peoria for burial Monday morning.

Niggemeyer Denied Release By State Parole Board

George Niggemeyer, of Fox Lake, was denied parole by the state parole board by a vote of 6 to 2 last Saturday.

Niggemeyer, according to evidence produced by the state, killed John L. Johnson at Fox Lake in a hunting dispute. S. H. Block of the State's Attorney's office appeared for the state to oppose Niggemeyer's release.

Fire Truck Breaks Gas Pipe, Causing Residents to Move

Some of the residents on Johnnott street had to seek shelter with relatives and friends Monday evening because of the gas escaping from a broken gas main.

The fire truck sank through the soft ground covering the main and broke the pipe. The escaping gas was so disagreeable that the residents had to go elsewhere until officials arrived.

Mr. and Mrs. Harry A. Isaacs were guests of friends at LaGrange and Brookfield Tuesday.

LOCAL MAN LOSES CAR IN FRONT OF OWN STORE

Antioch experienced its second stolen car excitement last Friday night when George Rhodes, manager of the Chicago Footwear Co. reported to Officer Valenta that the Rhodes Ford had been taken from in front of the local store. In addition to the search made by the local authorities, word was sent to Chicago to be on the lookout for the car when it arrived. After an hour and a half diligent and excited search it was found about one half block to the south where the owner had forgetfully parked it. Mr. Rhodes considers this a pretty good joke on himself.

A.B.C. TO SPONSOR FALL FESTIVAL IN SEPTEMBER

Life Guard Urged For Pub-
lic Beaches—Office Is
In Operation.

A good representation of the Antioch Business club joined in a nice dinner served at the "Little Red Hen" dining room on Channel Lake.

A "Fall Festival" is to be held September 13-14-15, under the direction of the Club. A committee of ten under the chairmanship of A. M. Kral was appointed to make arrangements for this gala celebration.

It will be the purpose of the committee to make the Festival self-supporting but it will not be a money-making affair. It will have for its purpose the boosting of the lake region, and a demonstration of some of the possibilities available to this region outside of the regular resort season.

A life guard for the public beaches received the attention of the Club. It was urged that some means be taken to protect the bathers every day of the week because of the fatalities that occur, and which would be prevented under proper supervision.

A committee was appointed to meet with a similar committee from the Chain O'Lakes Association. Cook county makes provision for the protection of beaches and an effort will be made to secure assistance from Lake county officials.

J. C. James discussed the advertising possibilities for this region. The secretary reported that an office had been secured and equipped in the First National Bank building. A stenographer was on duty, and would write letters for members at a very nominal charge.

An attempt is being made to have telephone service extended so that telegrams may be telephoned to the Western Union and the charge made on the telephone bill. There are places which have this service and it would be a great convenience for the people of Antioch.

C. J. Joyce promised cooperation of the Chain O'Lakes association with the Antioch Business club in all the undertakings for the improvement of this region. M. A. Hoffman of Volk Bros. Realty Co. pledged his assistance in the work of the two organizations. F. L. Krebel advised that a real publicity man be employed for the promotion of this region. Among other things that should be done would be the publication of 100,000 booklets advertising the region. He maintained that the activities of such a man would be self-supporting and an immeasurable amount of good could be accomplished. This has been done in California and Florida and would most certainly succeed here.

The committee appointed for the August meeting consists of J. C. Nixon, Geo. Schlosser and Fr. Dixon.

Ladies Aid Bazaar Next Week Thursday

The Ladies Aid of the Methodist church will hold their annual bazaar on Thursday, July 26, at the Methodist church. A chicken dinner will be served commencing at 5:30. The ladies will have on display and for sale many beautiful pillows and quilts, also fancy work and a "curiosity lady" for the children.

A Chambers Fireless Gas Range has been installed and a steam table purchased. These improvements will be a great aid to the ladies and a great saving of time while preparing church suppers.

REBEKAHS DECIDE TO TAKE VACATION

The Lakeside Rebekah lodge will meet August 3. This will be the only meeting during July and August.

GASOLINE STOVE EXPLODES; BURNS MEN SEVERELY

Man Covered With Flaming
Gasoline From
Exploded Stove.

Charles Kreusler, of State Line Gas Station, north of town, was the victim of one of the most serious and gruesome accidents that has happened in this vicinity. A brother, Leonard, was starting a gasoline stove when the gasoline in the tank caught on fire. He seized the tank and started for the door. It was burning him so badly that he had to throw it through the door. At just this instance fate decreed that Charles should come running around the corner of the house and start to enter the door just in time to be struck by the flaming tank. He was saturated with the liquid which immediately enveloped him in a cloak of fire. Before the flames could be extinguished, his clothes were burned from his body. The outer skin was nearly all burned off. He was taken directly to Victory Memorial hospital. His condition is quite serious, and he is not out of danger at this time. Leonard is under the care of Dr. Williams, who reports that the burns on the hands and feet are responding to treatment quite nicely.

Pelix Druba	vs.	J. Kissilaski	
Jimmy Hull	vs.	Dan Palermo	

The fight fans are certainly waking up to the fact that Dick Marek is putting out the stuff when it comes to boxing. About twelve hundred of them vied with each other for the good seats last Friday night. It will be necessary to get additional chairs to handle the crowd this week.

Our George scored by the K. O. route again. This time Tommy Southwards received the honor. Jimmy Hull of Lake Villa continued his string of victories by taking Charles Moore. Moore was down for nine counts in the second but was able to stay the full three rounds.

Arne Jokinen, the Waukegan sensation, had the misfortune to dislocate both of his thumbs when he put Joe Anderson to the floor for the count of nine in the first round. The bell saved Joe. During the last two rounds "Joky" had to play safe in order to protect his injured punchers, but received the decision. Arne will be out for a few weeks with his convalescent thumbs.

Joe Young beat Frankie Hughes after four rounds. Frank was also down for nine, but finished the bout.

Phil Taylor again took Story while George Taylor went the full four rounds before the judges gave Bob Crawford the decision.

Stanley Kroskey knocked out Walter Buskey in the second round, and Roosevelt Haynes beat Jerry Miller. "Jabber" Young was the third man and will again officiate tomorrow night.

There are two return matches. Frankie Hughes doesn't care to stay licked by Joe Young. Kraft and Kazlo also want to mix it up again. If you want a ringside seat don't wait till 8:30 to get there.

Ladies Of The Episcopal Church Have Large Crowds Attend Bazaar

The bazaar held by the Episcopal ladies at the Antioch Palace has been well attended. It will last until Saturday evening. Many women are taking advantage of the early opportunity to buy Christmas presents. On Wednesday afternoon forty prizes were given to winners at bridge, "500" and bunco.

There are many uses of the word "shape" and many of them are not related to the shape of a thing. For example, we can say that a person's character is "square" or that a country's politics are "round". We can also say that a person's face is "oval" or that a building is "circular". In these cases, the word "shape" is used to describe a quality or a characteristic, rather than a physical form.

WILMOT BALL TEAM WINS AGAIN; DOUBLE- HEADER NEXT SUN.

Fred Semrau Legion Post
Displays Prize Ford At
Rademacher's.

Wilmot's Baseball team defeated Des Plaines at the local park Sunday afternoon by a score of 14-7. Feltis, Gegan and Frank were the Wilmot stars. Feltis and Gegan each had three hits; Frank three doubles, a single, and was at bat four times besides pitching a wonderful game, striking out nine men. Next Sunday there will be two games at the Wilmot park. Munster will play Wilmot at one o'clock sharp and Union Grove and Wilmot at 2:30. A large crowd is expected to attend the double header.

The local Legion Post, Fred Semrau No. 361 now have their gift Ford on exhibition on the Rademacher Dance Pavilion floor at Twin Lakes. The Legion boys are giving their annual dance at Rademacher's on Labor Day night.

Mr. and Mrs. Stanley Stoen and Ruth Stoen were Sunday visitors of Mr. and Mrs. G. Dorwin at Wauconda. Mr. and Mrs. Guy Lottus and Helen motored to Hebron Sunday for the day with Charles Sims.

Mr. and Mrs. Ray Ferry of Kenosha were out for the day Sunday with their parents here.

Mary Boudien, Ruth Pacey and Helen Loftus were in Kenosha shopping Thursday.

Mrs. Earl Shales and daughters and Mrs. G. Smith of Woodstock were entertained Friday by Mrs. George Smith.

Mrs. Jane Motley is spending several days with Mr. and Mrs. Ernest Peacock on English Prairie.

Mr. and Mrs. Harry Spear of Sharon were Thursday guests of Mr. and Mrs. Win. Vullbrecht.

Honorable, William and David McGuire motored out from Chicago for the week end with their mother, Mrs. N. McGuire.

Mr. and Mrs. L. M. Couzens and son, Lafayette, of Wilmette were week end guests of Mr. and Mrs. Jan. Carey.

Mr. and Mrs. Edward Boudien and daughter motored out from Chicago Sunday to spend the day with Mrs. H. Boudien.

Mr. and Mrs. Earl Shales and children from Woodstock were entertained Sunday by Mrs. Leah Pacey.

Mr. and Mrs. Wm. Kruckman and children of Burlington spent Sunday with Mr. and Mrs. Hiram Patrick.

There will be English services at the Lutheran church next Sunday at 10:00 o'clock in the morning with Prof. Paul Dieschen of Milwaukee occupying the pulpit.

Mrs. F. Danyard and John Dowell of Channel Lake called on Mrs. N. McGuire Friday.

Mr. and Mrs. Earl Hyde, Mr. and Mrs. L. Cole of Crystal Lake and Mr. and Mrs. Howard Clark and children of Richmond were guests of Mr. and Mrs. Frank Kruckman at the Fox River park at a picnic dinner.

Mrs. A. Poarth of Genoa City is staying with Mr. and Mrs. Art Kinnball this week.

Mr. and Mrs. Alfred Reynolds were in Racine Thursday to attend the wedding of a cousin.

Gertrude Gauger was home from and Mrs. John Gauger.

Mr. and Mrs. Eli Vincent entertained for Mrs. Bert Schenning and children, Miss Ryan and the Misses Wald of Burlington Monday.

Mr. and Mrs. Gunner Carlson of Chicago were at Carey's Sunday.

Rev. and Mrs. Monkmann of Salem have been conducting a two week's Bible class at the M. E. church for the children of the Methodist Sunday School.

Mr. and Mrs. James Buckley entertained Chicago relatives over the week end.

--Voice of the Past--

Ten Years Ago Today

Coal Dealers of Lake county out side of Waukegan took action last week at Lake Forest to bring a supply of anthracite to county officials. County Superintendent of Roads, Hushell, was in Antioch Tuesday afternoon and Chase Webb took particular pains to show him the extreme inconvenience that we are all subject to with the dust. Mr. Hushell could plainly see the havoc that dust is playing in the stores and after a consultation with Mr. Webb the two visited the President and some of the members of our village board.

We have been informed that we are still in debt about ten dollars on our village flag pole. The deficiency is due to the fact that the tamarack pole donated by Chase Webb was discarded and another purchased, the change also making it necessary to hire some work done in order that the flag might be raised on Decoration Day.

There was some little excitement on Main street Saturday evening when an automobile parked in front of Williams Bros. store caught fire. When the owner went to crank the car he scented trouble and fled a match to find it. No sooner was the match lit than the escaping gasoline was in flames. A fire extinguisher from the store soon put the fire out and the car was taken to the garage. Not so very much damage after all.

The many Antioch friends of Miss Frankie Stewart, a former teacher in the Antioch grade school, will be pleased to learn that she has received the appointment of Assistant Superintendent of Schools of Kenosha, Wis.

All children wishing to take part in the cantata to be given by Hertha James Gilbert, on August 14, will please meet at the Episcopal church next Monday afternoon at 3 o'clock.

The lady guests at the Gifford House and from the surrounding cottages are devoting each Monday and Thursday morning to Red Cross work which is secured from Antioch auxiliary. They are working under the direction of Mrs. O. W. Richardson.

Twenty Years Ago Today

Yacht owners of Fox Lake are taking steps to compel the commissioners who put in the Fox River bridge on the Richmond road some time ago, to take out piles which were left from the old bridge. The piles stick up under the water so there is not much room to pass under the bridge. Unless it is done voluntarily, it is said they may be prosecuted on the charge of blocking a navigable stream of water. When the bridge was built, instead of removing the old piles, they cut them off under the water, thus making the passage way very dangerous.

Last Sunday Antioch defeated Trevor at base ball by a score of 13-2.

Mr. and Mrs. Andrew Lynch entertained Mr. and Mrs. Wm. Lynch of Fond du Lac over Sunday.

The Waukegan Day celebration

666

Cures Malaria and quickly relieves Biliousness, Headaches and Dizziness due to temporary Constipation. Aids in eliminating Toxins and is highly esteemed for producing copious watery evacuations.

BRISTOL MASONS DEDICATE TEMPLE; 300 GUESTS PRESENT

Mr. Fred Parkin Receives
Diamond Service Pin
At a Banquet

Prominent Masons and Eastern Star members from all parts of Kenosha county gathered at Bristol on Wednesday to take part in the impressive ceremonies that marked the formal dedication of the new Masonic Temple that will house the Washburn Lodge A. F. and A. M. The grand lodge conducted the program following which members of Bristol chapter No. 144 O. E. S. served a banquet to over 300 guests. An interesting program completed the celebration at night, after which an informal reception was held and the new Masonic Temple inspected by all present.

The Masonic Lodge at Bristol was organized in 1853, being one of the oldest lodges in south eastern Wisconsin. The lodge took its name from the first grand master.

The present officers of the lodge all of whom had a part in the building of the temple are: E. T. Manning, W. M. Raymond, A. Shumway, S. W. Edward, E. D. Chumley, E. L. Stonebraker, treasurer; Roland Lewis, Secretary; Emory M. Bishop, Jr., S. D., Clifford Jacobson, J. P., Herman Schultz and Fred Stephens, stewards; Howard Johnson, Tyler; Leslie Gunter, Nels Nelson and Lauris Jacobson, trustees.

Fred Parkin of Des Moines, Iowa, a former resident of Bristol, was recently called to Chicago by the Dupont Powder Co. and invited to a banquet at the Stevens Hotel, where several officials of the plant were present. He was presented with a Diamond Service pin for having worked for the company for over 25 years. It will entitle him to future pay.

is spending two months here with her parents. Mr. and Mrs. Herman Zach.

Miss Mayne Mitchell and mother are enjoying a three week's motor trip. They will visit points of interest in Wisconsin, Minnesota, Iowa and Illinois.

The Daily Vacation Bible school closed Friday evening with a program and report of work accomplished. Enrollment was 47, with an average attendance of 35. Teachers, Primary, Miss Eunice Dixon; Intermediate girls, Mrs. Lamb; Miss Mayne Mitchell and Miss Beniah Brown. Immediate boys, Rev. David Johnson. Refreshments were served at the close.

The Lutheran Church Bible School closed Sunday with a picnic in the Charles Glizaff's woods. A basket lunch was served. In the afternoon games were played. A ball game between the married and single men created much excitement, owing to the closeness of the game, which resulted with a score of 11 for the married men and 10 for the single.

The Missionary society will serve a supper at the parsonage lawn Friday afternoon, beginning at 5:00 o'clock. The public is invited.

Horsepower

James Watt and Matthew Boulton, in the eighteenth century, began to manufacture holting engines to supply the horses then used in the coal mines of England. They tested the pulling power of a heavy draft horse and found that a horse could lift 330 pounds of coal 100 feet in 1 minute, which is equivalent to lifting 33,000 pounds 1 foot in 1 minute, the accepted test of horsepower today.

William Penn's Colony

On April 25, 1682, William Penn proposed to his colonists that they make their own laws. His promise to the colonists was: "You shall be governed by laws of your own making and live a free, sober and industrious people."

Lake Villa Couple Are Married at the Country Home of the Bride

Mrs. Isabel Loomis and Mr. Wm. Montellus, both of Lake Villa, were married at the bride's home in the Cedar Crest vicinity on Wednesday, July 18. Rev. McKelvey of the Methodist church of Lake Villa was the officiating clergyman. Mrs. and Miss Forbes, neighbors, and Mr. and Mrs. Burns, from out of town, attended the bride and groom. Mr. and Mrs. Montellus arrived immediately after the rites in Chicago.

MILBURN O. E. S. ENTERTAINS COUNTY CHAPTER

Fourteen ladies of the Antioch chapter of Eastern Star attended the County Patron's Night held at the Millburn Masonic Temple last Thursday evening. The Millburn chapter entertained over two hundred from all the chapters in the county. Members from the chapters represented took part in the initiatory work. The Antioch chapter felt very much honored to have two of its members fill stations. Miss Elizabeth Webb acted as Ruth and Mr. S. E. Pollock as chaplain. All the visiting officers received a beautiful pair of chignon hose. The Millburn chapter served a delicious lunch to their guests.

MRS. PAUL CHASE ENTERTAINS LEGION AUXILIARY

Eighteen ladies had a ripping, roaring and roasting good time at the outdoor meeting at the home of Mrs. Paul Chase at Channel Lake Friday evening. The Auxiliary ladies had their business session first and then roasted weiners on a big bonfire in the yard. Hot dogs and butter awaited the sizzling hot dogs and after many were consumed by each one they finished their outdoor lunch with roasted marshmallows, and hot cut fee.

Marines' Good Behavior Makes Friends in China

Tientsin.—A foreigners' treatment of the Chinese coolies with whom he deals is taken by Chinese in China as a good test of that foreigner's character. Americans in Tientsin therefore have taken pride in the fact that not a single case has been reported of trouble between ricksha pullers and the 3,500 American troops here—3,000 marines and 500 of the Fifteenth Infantry—since the marines arrived eight months ago.

Clashes between foreigners and ricksha coolies are not uncommon in the Orient. Some passengers are sticklers for the legal fare while many of the coolies are truculent. The marine and the ricksha boy, however, are good friends. The coming of the Third marine brigade has proved a blessing to the thousands of ricksha coolies who swarm Tientsin streets seeking a precarious living. Last winter hundreds of them spent days on the bitter cold streets without picking up a fare. Now there are hardly enough rickshas to meet the demand. And the American leather-reck or doughboy is not disposed to argue about a few cents after the Chinese fashion; hence new prosperity for the ricksha boy.

John V. A. MacMurray, American minister, expressed official praise over the behavior of the men in Tientsin, saying that it had "contributed toward that better understanding which we all hope to see grow and develop in China."

Millikan Finds Evidence of Continued Evolution

Pasadena, Calif.—Discovery of evidence that the process of creation is going on in the heavens and the earth, instead of disintegrating, as long has been believed, is going through an endless cycle of evolution, was announced here recently by Dr. Robert A. Millikan, noted scientist.

Doctor Millikan's announcement, made at a meeting of the California Institute of Technology, said while his experiment had not been completed and should not be taken as final, "we may have some confidence in the conclusion."

The findings of Doctor Millikan indicated the atoms which form oxygen, silicon, magnesium and iron—the elements which make up about 95 per cent of the mass of meteorites and a similar proportion of the earth—are being constantly created in the heavens and shot with terrific speed into the body of this planet.

The cosmic rays are held to be energy which escapes in the process of formation of these atoms.

H. C. Van Pelt Gives Daughter, Dorothy, In Marriage on July 3

Dorothy Elizabeth Van Pelt, Chicago, and George Carl Phipps, Chicago, were united in marriage July third at the Thorncliffe, Illinois, Methodist Church of the University of Chicago.

Mr. and Mrs. H. C. Van Pelt, parents of the bride, are summer residents at Lake Catherine and having spent many summers here are well known.

The bride and groom both graduated from the University of Chicago and Mr. Phipps is principal of the Deolite School in Chicago.

They are at home at 2411 Indiana avenue, Chicago.

MRS. E. E. BROOK ENTERTAINS TUESDAY AFTERNOON CLUB

The Tuesday afternoon card club met at the home of Mrs. E. E. Brook on Lake street, Mrs. Wm. A. won first prize, Mrs. Hunt second, and Mrs. M. K. Golden third.

MR. AND MRS. S. BOYER NELSON ENTERTAIN NELSON FAMILY

Prof. Nelson and family of Kenosha were entertained at the home of Mr. and Mrs. S. Boyer Nelson Wednesday. Mrs. Nelson is a vocal student of Prof. Nelson.

Sunlight in Childhood Has Bearing on Crime

Chicago.—Lack of the ultra-violet rays of sunlight during childhood was advanced as a possible cause of criminal tendencies by Dr. W. T. Horie, professor of biophysics at Northwestern university, in an address here. Doctor Horie said dispositions and nervous systems are affected by light as well as physical processes.

Moon Bros. Circus Comes to Antioch Saturday, July 21

Big circus parade at 1 o'clock Saturday afternoon.

Whoopee! Kids the circus is coming to town. Yes, sir the combined 'Honest Bill' circus and Moon Bros. trained wild animal shows will show in Antioch, afternoon and evening, Saturday, July 21.

From advance notices this is a mighty fine, clean show of great interest and educational value and loads of value for the young folks.

This is not a one horse show but one of recognized merit. 110 people are carried and \$75,000 worth of animals will be displayed. Some of the best clowns in the business will vie with each other in making you shout with laughter and forget that there is any trouble in this world.

One of the big headlines is "Cupid the educated pony. This is a high priced act that amazed thousands all over Orpheum time. "Cupid" can count, tell time and in fact do almost everything except talk. Another feature is an old fashioned Wild West show.

A parade is announced for one o'clock Saturday and the afternoon show at 2 o'clock. The night show will start at 8 o'clock.

Mistletoe Under Ban

A worldwide tradition has it that the mistletoe was the tree from which Eve plucked the forbidden fruit in the Garden of Eden, and the tree was punished by having its fruit reduced to berry size and being forbidden to grow in the ground. All attempts to raise a tree from seed have failed. It remains a parasite, feeding on the life of other trees. But its other use makes us forget its bad habit in that respect.

Potatoes Second Choice

Young Joe, at the age of four, remarked meditatively: "I love mother and I love potatoes—but I love mother best, for she's a person, and potatoes are just a vegetable."

The Christian life is a life lived in Truth. The Pastor will preach on the text: "Ye shall know the Truth and the Truth shall make you free," St. John 8:12. "What is Truth?" said Justice Pilate to Christ. What is Truth do you know what is right and what is wrong and how we can know? The Ventry of the Parish will meet at the Rectory Tuesday night at 8 o'clock. Great news will be derived from the deliberations. Wait! 1928 is the year. Where will you be then?

Methodist Church Notes

The Methodist church is very happy because of the friendship of the visitors to the Lake region. Each Sunday we find a host of strangers within the sanctuary, to these we would say "Thrice Welcome." Your coming brings joy to us and we pray, comfort and peace to you.

Rev. A. M. Kralik, the pastor, is now preaching a series of sermons on the greatest of Psalms, the Twenty-third, which is meeting the need of a people seeking interpretation of God and His love in a world filled with material wealth to the forgetfulness of God's mercy.

To further beautify the service Mrs. Kralik of Channel Lake will sing next Sunday morning the praises of God.

The many friends of the church will be happy to know that the Mid-Summer Bazaar, given annually by the Ladies Aid is to be next Thursday, July 26, in the church. The already famous chicken dinners served by the Aid will be ready at 5:30 p. m. standard time. The motto for this dinner is "All one can eat for 60 cents." The fancy goods and quilts will be on sale at three o'clock in the afternoon. Both sale and dinner will be in the church building.

Fallacy Explored

No one is chronically poisoned by certain kinds of foods and no one has his digestion ruined simply by eating certain kinds of food.—Dr. Logan Cleland in "The Human Body."

EDDIE, THE AD MAN

ARI HARI I JUST THOUGHT UP A WISE CRACK. YOU RECALL THE SMALL BOYS DEFINITION, "SALT IS WHAT MAKES THINGS TASTE BAD WHEN YOU DON'T PUT ANY ON." HEAR THE NEW ONE, "ADVERTISING IS WHAT PUTS BUSINESS ON THE BUM WHEN YOU DON'T DO ANY." NOT BAD, EH?

No Written Constitution

The British constitution is an unwritten, indefinite body of legal rules and principles which are partly the result of judicial decisions and partly acts of parliament. They are not collected.

Origin of Slang Phrase?

The slang expression "He's a hell-bender" came possibly from a large salamander called the hellbender, found chiefly in the streams emptying into the Great Lakes. This is an extremely ugly but perfectly harmless creature that is exceedingly tenacious of life and hibernates in cold weather.

Rest Periods Effective

Practical experiments in factories and mercantile establishments show that under controlled conditions a spell of work broken by a short rest is more effective than an unbroken spell of the same length.

PERSONAL MENTION

The Ladies Aid of the Methodist church will hold their annual bazaar and chicken dinner Thursday, July 26.

Virginia Bachmester, Evansville, Indiana, former Antioch resident, arrived Sunday to visit her brother-in-law and sister, Mr. and Mrs. Arthur Trieger at Grass Lake. She spent Tuesday in Chicago and visited with Louise Simons over night Tuesday.

George Garland spent Tuesday in Chicago.

Don't forget the bazaar and chicken dinner given by the Ladies Aid at the Methodist Church July 26.

Mr. and Mrs. Schilke entertained the following friends during last week at their home in North Antioch: Mr. and Mrs. Kaudlik and family, Mr. and Mrs. John Schlanek, Mr. and Mrs. Meyer all of Chicago and Mr. and Mrs. A. Schonschek and family of Bristol, Wisconsin.

Don't forget the bazaar and chicken dinner given by the Ladies Aid at the Methodist Church July 26.

Bob Morley had the misfortune to have his hand severely cut by broken glass from the windshield of his gravel truck. He had an extra large load of gravel which over balanced the front end of the truck raising the front wheels from the ground. When the load was dumped the front wheels came to the ground with such force that the windshield was shattered. It is feared that the tender of one of the fingers was completely severed at the back of the hand.

Try Fly-Tox to do the work. Chase Webb.

L. M. Wetzel and family left Monday morning to spend a few days at Green Bay, Wis., and plan to return the end of this week.

Mr. and Mrs. Chase Webb and son, Emmett, drove to Chicago Tuesday.

Mrs. Henry Riechmann was taken last Thursday morning to Waukesha to take treatment at the mind baths. She had an attack of rheumatism the early part of last week and was not able to walk. Mr. Riechmann visited her Sunday and reports she is better but still in a wheel chair. Her daughter, Myrtle, is staying with her.

Mr. L. R. Watson and family spent Tuesday in Franklin Park.

Don't forget the bazaar and chicken dinner given by the Ladies Aid at the Methodist Church July 26.

Mr. and Mrs. O. E. Bachmester, Evansville, Indiana, are spending two weeks with Mr. and Mrs. Arthur Trieger.

Mrs. Hugo Mitchell and Miss Ruth Pollock spent Tuesday at Crystal Lake, pleasuring.

Dr. Hess' Fly Chaser, guaranteed. Chase Webb.

Mr. and Mrs. Harry Smith are entertaining a brother-in-law and sister, Mr. and Mrs. John Pearson of Portland, Oregon. Mr. and Mrs. Pearson have just returned from the east having attended the commencement exercises of their son from an eastern college. They plan to visit here ten day or two weeks.

The Ladies Aid of the Methodist church will hold their annual bazaar and chicken dinner Thursday, July 26. After attending the National Education association at Minneapolis, and a tour of Yellowstone National park, Miss Helen L. Patten, who is city examiner and teacher of mental defectives in the schools of the city of Melrose, Mass., is spending the remainder of her vacation with her sister, Mrs. L. B. Congdon.

Broom and dust pan special for 75c.

The Ladies Aid of the Methodist church will hold their annual bazaar and chicken dinner Thursday, July 26. Harvey Bailey, Maquoketa, Iowa, stopped in Antioch Tuesday morning on his way to a funeral in Kenosha. Mr. Bailey and his parents, moved away from Antioch forty years ago to Baldwin, Iowa, where they are still living. Mr. Bailey spoke of the great change in the town of Antioch an old of the interest they had in nothing through reading the weekly issues of the Antioch News the progress and advancement of Antioch. Mr. Bailey recognized and was immediately recognized by Ernest and Ira Simons and Mrs. Delbert Sablin and they recalled memories of times together in school here.

Heat shoes for the money. Chase Webb.

George Kuhnaupt, Soo Line Employee since 1891, is enjoying a few weeks vacation. Mr. J. F. Brunner, Soo Line agent from Custer, Wisconsin, is agent at the Soo Line Station in Mr. Kuhnaupt's absence.

Mrs. Homer Gaston entertained the audience of radio station W. C. L. O. Kenosha Monday evening at 8:30 with two groups of songs. In the first group were: "Our Yesterdays" and "At Dawning." The second group consisted of "I Heard You Go By" and "Friend." Mrs. Mary Maplethorpe accompanied Mrs. Gaston and also Prof. Chris. Nielson who sang several numbers. Prof. Nielson has been given the 8 to 9 hour every Monday night to broadcast and his vocal students are often on the program.

Mr. and Mrs. H. P. Carey, who have been spending a month with Mr. and Mrs. H. A. Hadtke, left Monday morning by motor, for their home in Dallas, Texas. Mrs. Carey is a daughter of Mr. and Mrs. Hadtke.

Don't forget the bazaar and chicken dinner given by the Ladies Aid at the Methodist Church July 26.

J. G. McWilliams of Jonesville, Wis. is the agent of Mr. and Mrs. Oliver Hoyer this week.

Everything in pairs. Chase Webb.

Mrs. Walter Borman, Mrs. J. G. McWilliams and Mrs. Oliver Hoyer were guests of Mrs. W. W. Warriner at the Chantel Lake Country club on Tuesday.

Special shirt collar attached to Chase Webb.

Twenty-eight Waukesha friends of Mr. and Mrs. Oliver Hoyer drove out to the country Sunday for a picnic supper. They returned to the Hoyer residence in the evening where they played bridge.

Mr. and Mrs. Carl E. Haur and their two daughters of Chantel Lake left for a short stay at Detroit Harbor, Wash. on Island, Wisconsin.

Mrs. Anna Best, Mrs. M. Cameron and daughter, Isabelle Mary Hoser, and Beatrice, and the Misses Emma and Thelma Tharks, returned to Chicago after a few days stay with Mrs. Carl E. Haur of Chantel Lake.

Don't forget the bazaar and chicken dinner given by the Ladies Aid at the Methodist Church July 26.

Gets \$1,000 for First Haircut at Age of 21

Albia, Iowa.—Having his hair cut on his twenty-first birthday has brought \$1,000 to Joe Kamecz, of this place.

When Kamecz was a small boy he possessed what his family called beautiful hair. His brother offered him \$1,000 if he would remain away from a barber shop until he was twenty-one. Joe did, and now he has \$1,000 more in his bank account.

LEAP TO DEATH ON MOSCOW STAGE

Two Dancers Seek Solution of Love Tangle.

Moscow.—Agness Koroleva and Natalie Askonova, beautiful ballet dancers, both aged twenty, gave a tragic touch the other night to the latest revolutionary ballet called "Red Poppy," when they plunged to death from the uppermost flies of the stage in full view of the public and just as the curtain was about to fall.

Both girls, their hands tied, crashed in midstage just as the thunderous revolutionary hymn, "The Internationale," was struck up by the orchestra.

Yellow-dancers, who knew the girls intimately, expressed the belief that the women had formed a suicide compact growing out of an unusual romance. They said that the girls had fallen in love with a scenery painter named Kurliko, who lately has become renowned for his art.

Devoted to each other and yet both desperately in love with the painter it was thought that the dancers preferred a common death as the best way out of the situation.

The ballet is packed full of revolutionary heroic exploits, and to the spectators at a distance, who had not heard the agonized cry of the dancers drowned as it was in the thunderous music, the leap seemed like a novel stage feat effected with dummies.

To the corps de ballet, however, who at that moment came from the wings advancing to midstage in a dance of revolutionary triumph, the tragedy was only too apparent in all its gruesome aspects. Before their eyes lay the two girl friends, the one dead and the other just breathing.

The curtain fell immediately, hiding from the audience the panic and tears of the ballerinas.

The police authorities immediately began an investigation into the deaths. The theatrical manager and the theory that a suicide compact had been agreed upon by the girls growing out of circumstances not yet ascertained, but follow-up letters were convinced that the girls' mutual romance with the painter was the true reason.

Heat shoes for the money. Chase Webb.

George Kuhnaupt, Soo Line Employee since 1891, is enjoying a few weeks vacation. Mr. J. F. Brunner, Soo Line agent from Custer, Wisconsin, is agent at the Soo Line Station in Mr. Kuhnaupt's absence.

BLUE VALLEY CREAMERY INSTITUTE

CHICK RATION CAN BE MADE AT HOME

Liquid Skim milk Is Only Drink Included in Wisconsin College Mixture.

Vitamins aplenty and food essential in abundance will be found in a simple ration for growing chicks that can be prepared at home, says the Blue Valley Creamery Institute, by combining milk, yellow corn, middlings, bone meal, oyster shell and salt in certain proportions. But no single ingredient can be left out, warns the institute, because it takes all of them in combination to produce the best results.

LIGHT GRAZING IN THE SPRING INSURES MID-SUMMER PASTURE

3445 LBS.

Heavy grazing retards root growth and diminishes the subsequent yields

Light grazing does not harm the root growth & thereby provides pasture during the drier months of mid-summer

BLUE VALLEY CREAMERY INSTITUTE

MORE ATTENTION TO PASTURE URGED

Over-Grazing Leaves Little Grass for Dry Summer Months.

The average pasture gets less attention than any other field on the farm, says the Blue Valley Creamery Institute. It is rarely ever limed, top-dressed or top-seeded and in nine out of ten cases it is pastured too early in the season before the grass roots and top growth have had a chance to get "set" into vigorous growth.

The first growth of grass is mostly water. To cows, it is deliciously tasty, but it is not substantially nourishing. Grass should be allowed to get a good start before cows are turned into pasture. Early grazing retards growth because it is only by exposed leafage that pastures are enabled to grow. The less the exposure of the leaves to sunlight, the less rapid the growth is made. It will pay, before the summer is over, to keep cows off the grass from three to four weeks longer than is customary in one's locality.

Over-grazing early in the spring cuts down on the grazing capacity of a pasture. An experiment conducted by the Wisconsin Agricultural college shows how heavy-grazing hinders soil development and diminishes the production of grass and grass hay. Two adjacent pastures were selected for the trial. One pasture had been heavily grazed while the other had been lightly grazed for a period of years.

The results obtained showed that a square foot of soil from the heavily grazed pasture weighed only 75 grams after the soil from around the roots had been washed away. Soil from the lightly grazed pasture weighed 147 grams. Acre portions of each pasture lot were fenced off early in the spring and the grasses in the enclosures were permitted to mature. The pasture that had been heavily grazed averaged only 1,061 pounds of dry grass-hay to the acre, while the pasture that had been lightly grazed yielded 3,445 pounds of dry grass-hay. Close grazing during May and June leaves little grass to provide pastures during the drier months of mid-summer.

Bigger Profits Make Good Cow Cheapest To Own

This good cow costing \$175 in 192 days produced 364 lbs. butterfat at profit of \$113 over feed cost

This ordinary cow in 320 days produced 187 lbs. butterfat at profit of \$51 over feed cost

price of a good cow is higher than that of the general run of dairy stock, this difference is soon made up by the greater profits made from the sale of milk and butterfat from the better animal.

The real value of a good cow was expressed recently in the records of a Minnesota cow testing association. A cow, costing her owner \$175, produced 364 pounds of butterfat in 192 days since freshening at a profit over feed cost of \$113.17. Another cow in the same association, having a sale value of \$50, produced 187 pounds of butterfat in 325 days and made a profit above feed cost of \$51.20. The lower-producing cow made less than half the profit of the 192-day yield of the better cow and it took all of her milking year to do it. A good dairy cow is the cheapest, to own. With good feed and care, she makes a good profit while the ordinary cow under the same conditions does not make a worthwhile profit, the Institute declares.

Returns From Better Animal Invariably Make Up for Its Higher Price.

The value of a dairy cow is expressed by the profits she makes and not by her cost price, according to the Blue Valley Creamery Institute. A good cow costs more to buy than an average or a poor cow. It is true also that many good cows are worth considerably more than their cost price when compared to prices being paid for common cows. On the other hand, many ordinary or low profit-making cows are selling for much more money than they are worth for keeping in a dairy herd. Although the original cost

AIR MAIL RATES WILL BE REDUCED ON AUGUST FIRST

The volume of air mail handled is more than two dozen air transport companies in various parts of the country is expected to increase several hundred per cent when the new air mail rate of 5c for the first ounce goes into effect on August 1st.

To aid the Post Office Department in bringing exact details about the change in the rate before the general public, National Air Transport, Inc., who operate the New York-Chicago and Chicago-Dallas air mail line, are sending out 281,620 announcement cards, 610 posters and 3,573 gummed labels for mailing boxes, to indicate the latest closing hour, to Postmasters in 136 cities and towns close to Chicago where air mail can be used to advantage on the night line radiating from Chicago.

Most people use the air mail daily for expediting not only business but personal letters also when they fully understand how they can use it to advantage, and National Air Transport, Inc., is endeavoring to cooperate in every way with the Post Office Department in disseminating this useful information.

Soldiers' Memorials

Under act of congress, March 3, 1873, the secretary of war was authorized to furnish suitable headstones for soldiers, sailors and marines buried in national cemeteries. By an act of congress passed in 1879 the order was extended to those who were buried in private villages and city cemeteries.

Banana Culture

The species of bananas grown for fiber and for ornament usually produce seed, and are propagated by planting seeds. The edible banana of commerce has a perennial root, from which the plant is perpetuated by sprouts, or suckers.

Historic Congress

The first congress presided over by the President of the United States was held in New York on May 1, 1790. It was in this first congress that the tariff law was made providing a tax on foreign imports to raise money.

TREVOR RESIDENT SUCCUMBS AFTER YEAR OF ILLNESS

Gray Goose Makes Forced Landing; Spanish House Sold At Auction.

OBITUARY

Mrs. Maggie Parks passed away Monday after an illness of nearly a year with cancer of the stomach.

Miss Margaret Doss was born in Germany, May 1, 1862, and came to this country with her parents at the age of 10 years, settling at Milwaukee. In 1888 she was united in marriage to Mr. Bohles, who passed away less than a year after their marriage.

In 1903, she married Mr. Newell Parks and resided in Trevor during the remainder of her life. She is survived by two brothers and two sisters, John and Fred Doss of Milwaukee; Mrs. Christina Balda of Oshkosh; and Mrs. Lena Harrison of Milwaukee.

The funeral services will be held Thursday with interment in Calvary cemetery at Milwaukee.

The Gray Goose plowed by a reporter of the Chicago Examiner en route to the Salvo-Arco camp at Camp Lake made a forced landing in Ira Brown's house.

The Spanish house owned by Shreck and Company, located by Otto Allen family was sold at public auction in Kenosha, Wis., and was bid off by Mrs. G. Kahl for \$1400.00.

The farmers are busy having which is a fine crop.

Mrs. Jack Sherman and children returned home Tuesday after spending several days with relatives in Janesville, Wis.

Mrs. Andrew Harrison and niece of Antioch were callers here Tuesday.

Mrs. Henry Ernst entertained a shower for her children from Chicago the past week.

Mr. and Mrs. Joseph Ziemer attended the funeral of their great grandmother in Chicago Wednesday.

Miss Sarah Harris spent Thursday afternoon in Wisconsin with Mr. and Mrs. Henry Harris.

Jack L. Jones of Milwaukee, an ex-soldier, was a guest of the Antioch family at the home of Mrs. L. Jones.

Mrs. Mary Jones and daughter, Mrs. Lillian Jones, were callers here Tuesday.

Mr. and Mrs. Fred Jones and family were callers here Tuesday.

Mrs. Alice Jones and daughter, Mrs. Mary Jones, were callers here Tuesday.

Mr. and Mrs. William Jones and family were callers here Tuesday.

Robert and Edward Jones of Wisconsin were callers here Tuesday.

Mrs. Kate Jones and daughter, Mrs. Lillian Jones, were callers here Tuesday.

Mrs. Ed Jones and daughter, Anna, of Antioch called on friends here last Wednesday.

Mrs. Byron Patrick and sons with Mrs. George Patrick and Miss Sarah Patrick called on Mrs. Tony Fredson and daughter, Gretchen at Grayslake Sunday.

Mr. Pearl Lintgen of Chicago called on the Patrick sisters Sunday.

Mr. and Mrs. Charles Curtis and daughter, Ruth, of Kenosha called at the Charles Osting home Sunday.

Mrs. Richard Mencke and children of Lake Marie spent Tuesday with her cousin Mrs. Fred Forester and family.

Donald McKay and Miss Ruth Thornton motored to Chicago Tuesday to visit the former's son, Harry, Donald and Robert McKay, who have spent the past two months with their grandparents, Mr. and Mrs. McKay, returned home with them.

Mrs. Charles Osting and son, Lewis, and Mrs. Joseph Smith visited Mrs. Samuel Mathews at Silverlake Tuesday afternoon.

Mr. and Mrs. Richard Orrin of Antioch called at the Jos. Smith home Sunday evening.

A number from here attended the boxing match at the Antioch Palace Tuesday night.

A number of Trevorites picnicked at Lake Geneva and Twin Lakes on Sunday.

Lillian Letzer of Chicago is making an indefinite stay with her grandfather, John Mutz.

John Geyer and Phil Lavendusk left Tuesday for Waukesha to take the mud baths.

Wilson and Gerald Rinyard underwent a tonsillar operation at the Kenosha clinic Friday.

Mrs. Daniel Longman and daughter, Bernice, spent Tuesday and Wednesday with her father, Jack Drury at Antioch.

The yearly school meeting was held at the school house Monday evening.

Clarence Schilling arrived home Wednesday from Texas to visit his parents, Mr. and Mrs. William Schilling.

Among the Kenosha shoppers last

Friday were Mrs. Lewis Pepper and daughter, Dorothy, Mrs. Clara Osting, Mr. Donald McKay and Miss Ruth Thornton.

Mr. and Mrs. August Zehlsdorf of Woodworth called at the Charles Osting home Friday evening.

Mr. and Mrs. Fred Forester entertained the latter's uncle, Henry Mencke, and daughter of Oak Park over the week end.

Ancient Botanical Gardens

The beautiful gardens in Padua, Italy, are considered to be the oldest in Europe.

MILLBURN MAN SICK; KIND NEIGHBORS PUT HIS HAY IN BARN

Bakery Sale Well Attended At Minto Home Friday; Netted \$22.50.

The neighbors of J. S. Denman, who is still in the Victory Memorial

hospital, gathered at his home Monday, and put his hay in the barn.

The bakery sale and social at the H. H. Minto home last Friday night was well attended and about \$22.50 was realized for the society.

Mr. and Mrs. Tom Griffin of New York, Mrs. Paul Griffin and children of Waukegan spent Thursday with Mrs. W. M. Hunter.

Mr. and Mrs. Lohman and children of Chicago are spending a few days with Mr. and Mrs. MacNair.

Mr. and Mrs. Schuyler Denman and son of Waukegan spent Sunday at C. E. Denman's.

Mark Edwards of River Forest is

visiting his grandparents, the Webb and Edwards families.

Mrs. O. Anderson entertained a number of relatives from Waukegan and Chicago Sunday.

Miss Christina Forester and Miss Johnson of Chicago spent Sunday at the Carl Anderson home.

Norman Achen of Kenosha enjoyed a few days vacation with his cousin, Richard Martin.

Miss Grace Holdridge of Waukegan spent the week end at the Lewis Benman home.

Treatment for Sick Fish

The bureau of fisheries says that if the tails of goldfish are fringed or frayed out, this is caused by a fungus growth, and it is advisable to give them a salt bath frequently. Use the solution as strong as they can stand it. This should be done two or three times a week, according to the seriousness of the case. The solution can be made strong until the fish squirms. This is a sign that the solution is too strong.

Mistreating Father Time

Only a man skilled in the art of getting away with murder can afford to kill time—Farm and Fireside

Full mileage from every gallon of Shell Gasoline—and what pleasant miles they are! Acceleration which gives you the jump on the other fellow. Reserve power which seems to level out the hills. Smoothness and flexibility at all speeds.

Such performance is the natural result of the improved refining process by which 400 "Extra Dry" Shell Gasoline is made. All the sluggish, greasy elements are removed—nothing but the most volatile parts remain. Vaporizing instantly, burning completely, no wonder Shell is so quick-acting and responsive.

A Shell yellow-red service station or dealer conveniently close by is ready to serve you with Shell 400 "Extra Dry," the gasoline which carries you faster and farther yet costs no more.

STATE CAPITOL ITEMS

More Paving Contracts Have Been Awarded

Some paving contracts awarded by the state division of highways recently are:

Route 22, section 111 Cook county, Chicago Heights Coal company, Chicago, \$14,396.16

Route 48, section 129, Christian-Macon counties, J. W. Robinson, Casey, Ill., \$98,922.38.

Route 55, section 581, Cook county, C. E. Glertz & Son, Elgin, \$253,412.67.

Route 95, section 118, McDonough-Hancock counties, Jensen and Schmeffer, Pekin, \$142,987.67. The road is 6.7 miles in length, from Blandville, McDonough county, to Lelharpe, Hancock county.

Route 49, section 112, Clark county, Orville Arnold, Casey, Ill., \$104,973.55.

Route 91, section 110, Peoria county, McCarthy Improvement Co., Davenport, Ill., \$69,004.72.

Route 116, section 111, Livingston-Woodford counties, Henkel Construction Co., Mason City, Ia., \$159,043.73.

Route 118, section 102, Livingston county, Henkel Construction Co., \$181,906.39.

Fruits and Vegetables Exceed Former Records

It is expected that shipping point inspection of fruits and vegetables grown in Illinois during the present season, will exceed all former records. Officials of the division of standardization and markets, Illinois department of agriculture, are inclined to believe that the applications for this service and the inspection rendered so far, are indicative of the season's program.

Strawberry shipments exceeded those of last year, and from the Quincy garden territory, more cars of cabbage were inspected by the state this year than last. Spinach, a commodity that moves in carlot quantities for the first time in Illinois this season, is marked with state certificates of grade and quality.

Veterinarians Still Render Great Service to Farmers

Speaking before the Illinois State Veterinary Medical Association, in session at East St. Louis, Dr. F. A. Laird, president, discussed the many branches of the veterinary science used to guard domestic livestock and poultry flocks of Illinois against disease. Even if motor transportation brings about the passing of the horse, there are abundant opportunities for the veterinarian, skilled in disease prevention branches, to serve for the protection of the livestock industry. Dr. Laird is chief veterinarian of the division of animal industry, Illinois department of agriculture.

June Egg Contest Shows Good Producers

Close competition marked the June contest for egg production, according to A. D. "Pat" Smith, who turned in the reports. At the Quincy unit 41 white leghorn hens shared honors as individual producers. Two made perfect scores; six were second with but one short of perfection; three placed third with 28; 15 finished the fourth and fifth positions with respective yields of 27 and 26 eggs in 30 days.

The 41 that finished averaged 90 1/2 per cent production for the month, which means they laid at the rate of 330-1-3 eggs per year during the month.

Illinois Herds Protected From Untested Cattle

The division of animal industry, Illinois department of agriculture, plans increased effort to guard the cattle herds of Illinois against illegal importation of untested cattle. The division conducts the tuberculosis testing program, and administers quarantine regulations to control and eradicate the disease. Placards quoting such regulations will be posted at the main highways entering Illinois, and at ferry boat landings on the Mississippi, Ohio and Wabash rivers, to inform cattlemen of the entrance requirements.

Teacher May Get Pension After Fifteen Years

Any teacher may retire at any time under the teachers' pension act if he or she has had at least fifteen years of continuous service in the public schools, declared Attorney General Carlstrom in an opinion to R. O. Clarda, secretary of the state teachers' pension and retirement fund.

By proclamation, Governor Small has offered a reward of \$50 each for the apprehension of Stephen Pike, Richard Preston and Ferdinand Dillelm, who escaped from Joliet penitentiary recently.

Record Plant Family

The largest family of plants, containing about one-tenth of all flowering plants, is the thistle family. To this family belong the asters, golden rod, daisy and thousands of others.

Diphtheria Cases Are Being Reduced

A decrease in diphtheria cases is reported on continuing diseases issued by Dr. Isaac D. Rawlings, state director of health. Seventy-seven diphtheria cases, 166 of scarlet fever, and 228 of whooping cough are under quarantine.

Baking Soda Tried As Aid In Snake-root Poisoning

Becoming aware of sodium bisulfate as a remedy for the livestock ailment caused by white snakeroot is being withheld by the Illinois department of agriculture, which is experimenting at the Springfield laboratory. One calf, slightly ill from eating snakeroot, recovered after being administered the sodium bisulfate, but the department does not wish to submit a general conclusion on the one case.

Auto Race Prizes Are Increased

The higher prizes which are being offered state fair auto race entrants this year will very likely increase the speed and class of competition over programs previously presented. \$5,500 is the total amount to be paid the winners at the close of the performance. There is a strong probability that someone will win the \$1,000 offered annually for a new one mile world's record, made in speed trial runs against time.

Half Fare Auto License "Rush" is Begun

Applications for automobile licenses are coming in from all parts of the state to Secretary of State Emerson, in the semi-annual "rush" to avoid being arrested for having 1927 plates. Under the automobile law, the plates may be purchased at half rate after July 1, and indications are that many took advantage of this.

Illinois Ag. Department Study Wheat Smut

Representatives of the division of plant industry, Illinois department of agriculture, are making an investigation of wheat fields in St. Clair and Madison counties to determine the extent flag smut has survived the control measures carried on in that locality in recent years.

Historical Society Opens H. S. Essay Contest

The Illinois State Historical society has announced the opening of a prize essay contest for high school students, similar to the one held in 1927, according to Miss Georgia L. Osborne, secretary. The subject this year is "Old Mills in Illinois."

Boothe Gathers Historic Information of Lincoln

J. Edwin Boothe, of Ironton, Ohio, visited his thirty-third capital city when he came to Springfield. He is gathering material for a life of Abraham Lincoln and Springfield's relation to it.

University's History

Columbia university was founded in 1754 as King's college by royal grant of George II. king of England, "for the instruction of youth in the learned languages and the liberal arts and sciences." The Revolutionary war interrupted its active work, but in 1784 it was reopened as Columbia college. In 1912 the title was changed to Columbia university.

Intractable Elephants

When you are contemplating the elephant at the circus or the zoological garden, the chances are that you are looking at an Indian animal, but hunters tell us that the African elephant is a much handsomer specimen and much more vicious. Not more than three have been taken out of Africa. They are practically intractable and while the Indian elephant may be trapped and tamed, this is not possible with the African.

Popular for Flavoring

Anise is grown chiefly for its aromatic seeds (fruits), which are used medicinally and also in baking and for flavoring confectionery. The oil distilled from the seeds is used medicinally in cordials and also for flavoring various beverages. Yields of anise seed are quite variable, since the plant is very sensitive to unfavorable weather conditions. In a good season from 400 to 600 pounds per acre may be reasonably expected.

Tree of the Desert

The forestry service says that the Joshua tree is a desert tree which grows in California, Arizona and New Mexico. It has light, spongy wood and is used for boxes and wrapping material.

NEWS NOTES FROM NEIGHBORING TOWNS

WATERFORD—The Tented bakery was destroyed by fire Sunday afternoon. The entire stock and machinery were destroyed. The Fire Department kept the flames from spreading to adjacent property.

MCHENRY — Citizens State Bank is the new name adopted Tuesday evening at a meeting of the stockholders of the Fox River Valley State bank. The election of directors was also held, in which several new names were added to the board.

PALATINE — If Palatine does not develop championship teams in sports endeavors it will not be the fault of Coach Harrison Kincaid for he is spending his summer vacation preparing himself to be better equipped to coach his charges in the very latest plays, style and training.

LIBERTYVILLE — Work on the new village water plant, which has been obstructed for the past several weeks by the unfavorable weather conditions, was resumed Monday morning with a full force on the job and a creditable showing has been made during the past few days. Ralph Malholand, superintendent of the water works, has been placed in charge of the construction and the operations are progressing rapidly under his management.

LAKE FOREST—One of the most interesting and unique affairs scheduled for this month in Lake Forest is the Children's Country Fair, to be held as a benefit for the local branch of the Infant Welfare society of Chicago. The fair, for which extensive plans are being made by a committee under the leadership of Mrs. Charles Edward Brown, Jr., was held Wednesday, July 18, on the vacant lot at the northwest corner of Westminster avenue and Sheridan road.

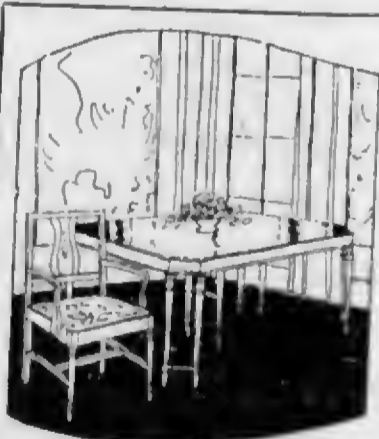

WOODSTOCK — With the advent of Lieutenants Sprague and Nelson in Woodstock in the interest of a flying school which they are promoting, aviation has come to Woodstock with lightning rapidity. The speed which the aviation fever has taken hold of the folks of Woodstock and surrounding communities has been equalled by nothing else in our memory and had anyone dared to predict a month ago that during the month of July of this year that an aviation school would be so far developed that an actual start would be made by the Civic club to secure ground for a flying field or airport, they would have been regarded as visionary and perhaps a little unsound of reason.

Eskimo Burial Customs

An Eskimo corpse is sewn up in the deceased's blanket, placed upon a sled and hauled to a chosen place, where it is laid on a bare rock. Huge stones are piled around it like a cairn.

When a Man's a Bull

An authority on women's shops complains that the expression, "A man in a gift shop" should supersede the but in the olden shop as a symbol of the inappropriate—Woman's Home Companion.

FINE FINISH DINING ROOM SETS

Careful designing and expert cabinet work, together with fine woods, combine to make these sets outstanding values at the prices we're asking. It will be WORTH YOUR TIME to see them before buying.

LAKE VILLA LADIES TO ENJOY PICNIC WEDNESDAY, JULY 25

Mrs. Perry Entertains Her Bridge Club at Her Home Thursday.

The Ladies Aid society will hold an all-day meeting with Mrs. McGlashan in West View Addition, on Wednesday, July 25, and picnic lunch will be served at noon. There's a great deal of work to do yet for the bazaar which will be held August 3, 4 and 5, and the ladies ask for your cooperation. Come and bring a dish of something for the lunch and enjoy the day with them in the grove.

Mrs. N. I. Nelson of Lindenhurst farm accompanied her sister-in-law, Mrs. Thomson and children of Central Illinois, to Elgin last Thursday where Mrs. Thomson will visit other relatives.

Mr. and Mrs. Carl Seeger and daughters visited Kenosha friends last Thursday evening.

Mrs. Sidney Barnstable entertained the lunch on club at her home last Wednesday and Mrs. Tweed was awarded first prize in the game of "660" which followed.

Mrs. Perry was hostess for the bridge club at her home last Thursday afternoon.

Mrs. Beatrice Sherwood and children spent Saturday with her parents at Round Lake.

Mrs. Peterson and mother spent Friday and Saturday in Chicago.

Mrs. Martha Madison was at the Victory Memorial hospital Tuesday for treatment.

Mr. and Mrs. Theodore Frazier accompanied by their son and wife of Evanston, started Saturday on a camping trip to Northern Wisconsin.

The Mothers' club will meet with Mrs. Bertha Burnett on Friday, July 27, at her home at 2 p. m. You are cordially invited to attend this meeting.

Mr. and Mrs. Edgar Kerr and daughter and Mrs. Kerr's mother of Bloomington, Illinois, were week end guests of Mr. and Mrs. Jas. Kerr. They had been on an auto trip to Minneapolis, Minn., where they visited Mrs. Pettijohn and family, then made a visit to the Dells of Wisconsin so stopped off here on their way home.

Mrs. Harry Sorenson is spending a

HICKORY NEWS

Mr. and Mrs. Andrew Grant, Harmon and Frazier Hollenbeck and family of Chicago were Sunday visitors at Hickory.

Mrs. Frank Kennedy and Mrs. A. Savage of Hickory and Mrs. Eva Martin and son of Millburn were dinner guests with Mrs. Fred Achen last Wednesday.

Miss Shirley Hollenbeck entertained her friend from Chicago Sunday.

Mrs. May Beardsford of Glenwood, Wis., called on old friends here Sunday.

Don't forget to come to Hickory church on Saturday, July 21, to the bazaar and supper for the benefit of the Hickory cemetery.

Is The Laborer Worthy of His Hire?

This Valuable Service Deserves Adequate Compensation

YOU will probably be surprised to learn that a great majority of checking accounts are handled by banks at a loss. There are two main reasons for this. First, more than 90% of all business transactions involve the use of checks. The service is so convenient, accurate, safe, and so economical of time that nearly everyone pays by check nowadays.

Second, cost of bank service has risen in keeping with everything else during the past dozen years. Running expenses have gone up 60%; taxes 60%; salaries 80%; nearly everything else doubled. At the same time, the source and rate of bank income from checking accounts has not kept pace. As a result, many checking accounts which formerly earned enough to offset the cost of service are now handled at a loss.

Would You Go Back?

No one who has ever known the convenience, safety, and prestige value of a checking account would willingly go back to the old, risky, time-consuming method of handling funds in cash. The check is the modern, efficient, business-like way to transfer money. The service is of sufficient value to make most people willing to pay money for it. But banks only ask that enough money be left on deposit to permit each account to earn its own way.

The Profits of a Substantial Balance

The surprising fact is that the greatest profit of a substantial balance comes to the depositor himself. The bank is only a custodian of the funds. Its returns are more or less fixed. But the depositor gains in many ways. A surplus is proof of business ability. It shows balanced judgment in providing liquid funds to seize opportunities and to offset possible reverses. It builds credit. It raises personal morale of the owner. An adequate balance in your checking account will profit you handsomely in many ways. Get in touch with your banker and let him show you the advantages of building your balance. A larger reserve will give the bank reasonable compensation for this service, and bring to you the substantial gains your judgment deserves.

Breaks Window So He Can Sleep in Cell

Chicago.—Emmett Kane, thirty-nine years old, can no longer work at his old trade of burglary. He was handicapped several years ago when he lost a leg in a railroad accident. Nor can he find honest work to do. The other morning he was cold and hungry when he used his wooden leg to kick in a window of the Harrison orange hut at 27 West Madison street. A policeman came, "Take me to jail," said Kane. "I broke that window so you'd have to arrest me and give me some place to sleep."

JIBES DRIVE BOY TO TRY SUICIDE

Ill Health Prevented Participation in Games.

Detroit.—Grieved to distraction by the taunts of his schoolmates, who jeered at him because he could not participate in their rougher games because of ill health, George Shultz, an eleven-year-old Detroit boy, tried to end his life recently by hanging himself from a beam in the basement of his home.

His body was discovered a few minutes later by his mother, who cut him down. He was rushed to a hospital by his father.

Although his condition was considered serious, hospital attendants said that the boy would recover.

The motive for his attempt at self-destruction was revealed when the parents questioned their son at the hospital.

"I asked him what had made him do this terrible thing," the mother explained.

"He said some boy at the school which he attends had called him 'lousy' and threatened to hit him," Mrs. Shultz said. "He told me the boys made fun of him and that he felt so bad about their treatment that he didn't want to live any longer."

"George has been sick most of his life and was just recuperating from an attack of scarlet fever when this thing happened. He was always weak and could not run and play with the other boys, and he was many grades behind most boys of his age because of his illness."

The boy had cried when he came home from school in the afternoon. She said, but refused to explain the reason. Next day he seemed quite cheerful, but stayed near home.

"The following morning I was preparing breakfast and asked George to go to the corner store for some milk," Mrs. Shultz said.

"He left by the back way and I paid no attention until he failed to return in ten minutes. Then I went to call him. He did not answer. Then I tried the cellar door and found it locked on the inside. I looked in through the transom of the door and saw him hanging from a rope."

"I screamed and called for my husband. He broke down the door and we untied the rope from the beam. At first we thought he was dead, but then we could hear his heart beating faintly."

MONKEYS REBEL, SHIP CREW HAS LIVELY VOYAGE

Captain Experiences Real "Monkey and Parrot" Time in Rough Trip.

New York.—After having been the master for eight harassing days of an imprudent but thoroughly untrustworthy Noah's ark, Capt. Curt Zastrow of the Panama and the steamship Ecuador docked his ship safely recently in Brooklyn.

Captain Zastrow's troubles really began with the taking on at a Central American port of a cargo of 62 monkeys, 657 parakeets, 252 parrots, 38 ducks, 28 lamingtons, 14 ducks and 22 sloths, all consigned to Louis Ruble, importer of tropical animals here.

And it was with a distinct sigh of relief that Captain Zastrow saw his cargo delivered to Mr. Ruble, for in the last eight days of his voyage he had developed a positive aversion to all tropical animals—monkeys particularly.

What He Thinks of Monkeys. Monkeys, Captain Zastrow thinks, undoubtedly have their place, but just at the moment he would hesitate to designate it publicly. He has, however, very distinct ideas on the subject.

It was shortly after he took on his miscellaneous cargo that the first monkey business started. Most of the Ecuador's 160 passengers were on deck, calmly looking away the hours as the ship plowed northward through tropic seas, when a great clattering

Monkeys and Parrots Were All Over the Place.

begin at hatchway No. 1, and two score monkeys swarmed on deck, followed closely by as many parrots.

Monkeys and parrots apparently were all over the place, and an investigation showed that several of the cages containing 15 monkeys each had been opened in some way and that the monkeys released the parrots. Captain Zastrow thinks the whole sorry trick was played by one monkey, perhaps, who wriggled from his cage and released his fellows. He doesn't know which monkey it was; he wishes he did know.

Swarmed Superstructure. The parrots were caught quickly, but the monkeys were another matter. They swarmed up radio masts, over ventilators, boat decks, steamer chairs, nervous tourists and ship's officers. They were, in short, everywhere.

The agile kitchen help and waiters, Chinese and Filipinos, were pressed into service and the chase began, but it was not until eight days later and the ship was only a day out of New York that the last monkey was put back safely in his cage.

Captain Zastrow doesn't like to think of the intervening days, for both he and Chief Officer William H. Galt, are sure that the voyage was "one of their roughest trips." And they are not referring to the weather.

"Dead" Man Complains of Morgue-Like Home

Chicago.—Dead men ordinarily tell no tales. With Arthur McCaffrey it is different. He was pronounced dead by his own father in his Chicago home. A crepe was hung on his door. An inquest was held. A jury returned a verdict that he had come to his death at the hands of an unknown person. His grave was dug, and his friends ordered flowers.

Then Mrs. McCaffrey, the widow, appeared at the undertaking establishment in her weeds. She discovered the corpse was not Arthur. She returned home to find her husband there. He explained he had been taking care of a sick friend while away from home.

"This place," he told her, "is like a morgue. You and the five children are in mourning. How come?"

Youth Defeats Big Shark With Fists in Sea Battle

Sydney, Australia.—Fighting off a shark with his bare hands, Maxwell Steele, nineteen years old, of this city, escaped from the jaws of the voracious fish and swam 150 yards to shore. With his flesh stripped from ankle to knee, he is in a serious condition in a hospital but will recover.

Antioch Wins From Slovaks at Foss Park 9 to 5 in Sun. Game

The rejuvenated Antioch Baseball team traveled to North Chicago last Sunday and gave the Slovak A's a 9-5 setback.

This was Antioch's third straight victory. John Morley was on the mound for Antioch and pitched a heavy game.

In the last 4 innings he allowed only 2 hits and finished with a record of 8 hits and 4 walks against him while striking out 12. He also got a walk and a single which drove in 2 runs for his share of the offensive honors.

The game marked the return of the Antioch batting punch. They got 11 hits and 3 walks. Drom, Sullivan and Nelson got 2 singles while Nixon and Chinn slammed out a triple and double respectively. Everybody had a hand in the attack as is shown in the fact that, with the exception of Morley, every player scored a run. Antioch plays Johns-Manville, holders of third place, at Sheridan park, between Waukegan and Zion on Sheridan road next Sunday.

Arrest Other Man In Lake Marie Attempted Murder

Archie Milligan of Chicago has been apprehended in Chicago. He is charged with aiding Thomas Gavin, of Chicago, in an attempt to murder Hosen Emery, colored, at a cottage on Lake Marie, May 6.

Gavin has been previously held to the October grand jury. He was released on \$10,000 bail.

The shooting occurred at the summer cottage owned by Thomas Beatty and wife Helen, wealthy Chicago theatre owners. State's Attorney Smith charged at a habeas corpus hearing in the Circuit Court that Mr. and Mrs. Beatty had attempted to intimidate Emery and his wife. The Emerys claimed that their lives had been threatened.

Emery was employed as butler by Mrs. Beatty and his wife as a maid. On the afternoon of May 6, they went with Mrs. Beatty to the summer home. Emery testified that shortly after they arrived at the cottage,

Gavin accused Mrs. Beatty over the telephone of being out in the country with a "dirty colored" lover. Gavin called Mrs. Beatty vile names and she started to cry. Emery went to the phone and told Gavin he was a dirty rat.

Three hours later Emery testified Gavin and another man came to the cottage. Gavin fired a shot through an upstairs window and he and his companion entered through a window on the first floor.

"I jumped up and hid behind the door," said Emery. "Gavin opened fire with a shotgun, firing one shot over the bed in which my wife and I had been lying and one shot under the bed. I got a revolver from the dresser of Mrs. Beatty, pointed it at him and told him to stop shooting."

"I went over towards Gavin, but his partner (who is said to be Archie Milligan) hit me over the eye with a billy and about that time Gavin grabbed my gun and shot me twice. He then warned me that if anyone asked about the shooting to tell them that burglars had shot me."
